

- **19" Rack chassis with 2U height**
- **Solid build quality with 1.2mm steel**

A bestseller amongst the 2U chassis and "must have" in the SOHO and SME entry level server segments. Owing to the two-way folded and deburred edges of 1,2mm heavy-duty cold-rolled steel, the durability and stability are secured. The **UNC-210TR-B-U3** needs a riser card to install standard height add-on cards.

Technical data		
Article no.	UNC-210TR-B-U3	UNC-210TR-B-U3-OP
Color	Black	Black
