

- **19" Rack chassis with 2U height**
- **Short Depth (<500mm) for ATX M/B**
- **Solid build quality with 1.0mm steel**

The **UNC-209SR-B** is a compact 2U ATX rackmount case, with a short depth of only 457mm, while able to install ATX motherboards. The robust build quality with 1.0mm thick SGCC steel ensures good protection of the hardware and serves as a reliable and flexible long-term solution. Two fast USB 3.1 ports in the front panel add to the features on offer with this chassis.
