

NAVITAS SERIES

PPS-1450FC // MODULAR // 1450WATT

Product: PSU

Form factor: PSII

Color: black

NAVITAS stands for a new generation of power supplies. The 80PLUS certification guarantees an impressive performance with an efficiency level of 90% for whole power supplier models. The smart cable management with modern +12V single rail technology supports all components with intensive power consumption, such as multiple GPUs. Pick the PSU matching your needs between 650W and 1450W, your investment on Navitas series will be paid off by its high performance and efficient power very soon.
