Product	computer case
M/B support	mATX , ATX
Color	black

The GP-01B, kick-starts a new gaming era, offering a 0,6mm thick metal ATX chassis that leaves no wish open and serves the DIY Gaming market marvelously. Coming in an all-black finish (both on the exterior and the inte-rior), the GP-01B presents itself with a honey-comb structured and detachable mesh front and top panel as well as a transparent left side panel, emphasizing the gaming focus further.
