M/B support mATX/ ATX

Color schwarz

LF-01B - The new LF-01B case has all the features of a modern Midi Tower. Two cooling zones with fan speed control system, hot swap docking station for 2,5" or 3,5" HDD and two Super-Speed USB 3.0 ports. The highlight of this case is a patented graphic card holder which is adjustable to fix the graphic card. Besides, there are 4 bundled 12cm fans to keep LF-01B cool.
