

Product computer case

M/B support mini ITX

Color black

FI-03B – The new FI-03B, strikes a perfect balance between volumes and standards so that based on the dimensions of 265mm x 90mm x 270mm, the FI-03B is designed for the mITX form factor and can be combined with a wide variety of motherboards. Equipped with a powerful and 85% efficient, 250W TFX power supply (GPF-250P) which comes with a very silent running fan, the FI-03B is not limited to the VIA C7 or Intel Atom boards but can accommodate high-performance ITX boards with powerful desktop CPUs as well, even processors with a TDP of up to 65 watts under full load.

Features

Version 3.0 CoolDown HD AUDIO
